Wings, Wheels and Other Things

Year 2 had a special assembly as a motivational entry point to their new topic 'Wheels, Wings and Other Things'.

Their special guests were The Wright Brothers (Mr Ludlow and Mr Evans)!

The children asked the following questions about the first flight:

How did you make your aeroplane?

How did it feel when you had made it?

Have you ever been on a plane before?

How did you put the petrol in the plane?

Why did you want to fly?

Well done to all the boys and girls who took part in the cross country trials at Huntington secondary school!

And for the first time in forever it didn't rain!
