

Tycoon Coordinator!

Exciting opportunity for a member of our team to champion and coordinate entries into a prestigious enterprise programme, organised by Dragon's Den favourite Peter Jones

The Trust is seeking expressions of interest from teaching practitioners across Ebor Academy Trust to become our Tycoon Coordinator.

This is to encourage our schools to take part in the Peter Jones Foundation for Enterprise programme, which aims to support children and young people to start and run a business, with a focus on young people from disadvantaged backgrounds.

The 'Tycoon' national enterprise competition is for students between 6 and 16 years of age. Schools – and classes or teams within schools – can access a risk-free loan to allow them to set up and run a business. Regional competition winners have traditionally enjoyed taking part in a ceremony at Buckingham Palace – a venue of similar magnificence is expected for the spring 2019 event.

It's a fun, engaging experience through which students develop a broad range of enterprise capabilities and skills for life.

The role is school based and would work within your current commitments.

The Tycoon Coordinator will:

- Receive three release days (or six half days) to champion and coordinate entries from schools across Ebor Academy Trust
- Receive a £1,000 honorarium

Further details from tycoon.com

How to apply:

A written expression of interest, supported by your headteacher, should be submitted to Richard Ludlow, CEO, by **19 October 2018**.
