## National Professional Qualification for Headship

NPQH is the qualification of choice for anyone aspiring to Headship and aims to produce an outstanding generation of school and academy leaders

- ◆ High quality leadership development at masters level
- ◆ A nationally recognised professional qualification
- ◆ Two day residential induction
- ◆ Professional learning and networking opportunities with colleagues in a similar role
- ◆ Delivered by headteachers and subject experts across York and the East Coast
- ◆ Practical support with preparation for headship.

"NPQH allowed me to reflect upon my practice and quickly develop my leadership skills using knowledge of theory and also through sharing examples. As a leader, I became more self-aware, confident and was able to consider the most effective way to develop systems, processes and the successful management of an organisation."

**Inspiring Leaders is a partnership of schools with a common passion to develop the inspirational school leaders of tomorrow. In partnership with Ebor Academy Trust and with facilitators from Hope Learning Trust York, Pathfinder Multi-Academy Trust, and All Saints Diocese of Middlesbrough Teaching School Alliance, we now deliver the NPQH, NPQSL & NPQML programmes across York, the East Riding and the Humber, the Yorkshire Coast and Middlesbrough (North East). Our feedback shows that participants recognise the value of our carefully constructed delivery model, our exceptional facilitators and the importance of working with and learning from current inspiring school leaders.**

## Our unique approach

With Inspiring Leaders, you have the opportunity to:

- ◆ Work alongside experienced, nationally recognised inspirational school leaders enabling participants to learn from current practice at the highest standard of professionalism and leadership.
- ◆ A blended learning model at masters level which has been carefully constructed to maximise learning and development.
- ◆ A residential induction and second day of the programme allowing participants to build strong professional networks that will support them through and beyond life on the course.
- ◆ Hear two inspirational headteacher speakers at the induction to motivate and inspire you as you start your NPQH journey.
- ◆ Access practical examples and case studies to support development and preparation for headship, such as finance and resource management, headship interviews, crisis management and innovative practice.
- ◆ Attend the majority of face to face days in small local clusters coupled with pre and post day challenges to complete back in school.
- ◆ Access our online leadership library which contains a wealth of additional resources, information and activities.
- ◆ See practice in action through our Leadership Focus days, involving a visit to a school to explore a particular leadership theme.
