

Coronavirus Social Story

=

This story is about coronavirus or Covid-19.

=

Coronavirus is a virus that can make people feel

=

unwell. Just like a cold or flu.

People who have coronavirus might have:

- a fever (feeling very hot)

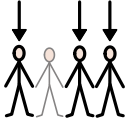

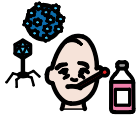

- a sore throat

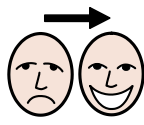

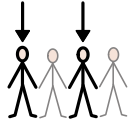

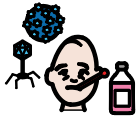

- a cough

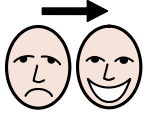

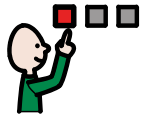

- and they may find it harder to breathe.

 Most people  who have coronavirus  will  stay at home and

 feel better.

 Some people  who have coronavirus  will  go to the  hospital

 to feel better.

 This  is  ok.

I can help

stop

coronavirus

from

spreading

to

lots of people

by:

washing

my

hands

with

soap

and

water

when an

adult

asks

me

to.

not

to

touch

my

face

or

bite

my

nails.

coughing

or

sneezing

into

my

elbow.

=

Coronavirus is just like any other cold or flu

virus.

It will go away in a few months.

I do not need to feel worried.

I can talk to an adult about coronavirus.

This story is about Coronavirus and what I can do

to help.
