2. STATEMENT OF INTENT: Wellbeing & Pastoral Care

At Ebor Academy Trust we are committed to safeguarding children and young people and we expect everyone who works in our Trust to share this commitment and join us in creating a culture of vigilance.

- 2.1 This policy has been created to ensure that all our pupils are effectively safeguarded whilst they access online learning opportunities from their homes.
- 2.2 Adults in our schools take all welfare concerns seriously and encourage children and young people to talk to us about anything that worries them and be confident that they will be listened to and taken seriously. We will always act in the best interests of the child and we recognise the importance of maintaining an attitude of 'it could happen here'.
- 2.3 We continue to take a whole school approach to safeguarding and child protection, so that awareness is raised within the entire school community. This policy defines a child as anyone under the age of 18 years and applies to all members of staff, including permanent, temporary and ancillary staff, Council Members, volunteers, contractors and external service or activity providers.
- 2.4 We teach pupils about safeguarding, including online, through various teaching and learning opportunities, as part of a broad and balanced curriculum. Ofsted guidance seeks to ensure that children 'recognise when they are at risk and how to get help when they need it'.
- 2.5 A secure and caring culture is essential in creating a safe learning environment for each child and we aim to create a caring, positive, safe and stimulating environment that promotes the social, physical, emotional and moral development of the individual child. We recognise that all Schools and the Trust play a significant part in the prevention of harm to our pupils and that creating an overall ethos of protection with good lines of communication are essential and will further support those children who may have heightened vulnerability within our Trust such as SEN-D children, those suffering peer-on peer abuse and those vulnerable to radicalisation or exposed to extremist views.
- 2.6 Safeguarding and child protection is everyone's responsibility. Everyone who comes into contact with children and families has a role to play. Our school is a community and all those directly connected, staff members, parents, families and pupils, have an essential role to play in making it

safe and secure.

- 2.7 Every Trust school has responsibility to maximise opportunity for the children to access learning at all times - a lack of technology should not be a barrier to any child
- 2.8 Expectations that all children will always participate in 'live' is to be balanced with opportunities to access recordings that better match parental employment (home working, for example) and wider family commitments
- 2.9 It is school SLT's responsibility to provide on-going staff CPD to support remote learning - Ebor Computing Specialist (JRK) will coordinate and provide a rich CPD offer
- 2.10 We ensure that information and support is available to all our parents and carers so that they are confident in ensuring children are protected from any online exploitation or criminal activity.
- 2.11 It is a continuous and rigorous process for every trust school to be aware, open to and proactive in the identification of any early signs of abuse, harm or maltreatment of a child.

3. STAFF RESPONSIBILITIES for remote teaching

3.1 Online platforms:

'Google' is the only permissible live platform for teaching online video-based lessons at **Ebor Academy Trust/School Name here**. 'Google' will be used for live communication with parents when necessary.

In the instance of Teaching Staff delivering a lesson through 'Google' they will observe the following procedures:

- a) Each teacher must initiate the session and start recording before children join the session - a new G Meet must be used for each separate session.
- b) Parents are made aware that the lessons are recorded and therefore need to give their written consent to the school generically once a year as part of the pack sent out by all schools for parental approval.
- c) When staff are hosting an online lesson, it must be set up with an @ebor.academy or school domain email address.
- d) Online classroom participants **must** consist of 2 or more students.
- e) For certain children, one to one learning may be deemed necessary. In this instance the teacher must:
 - DSL will have oversight of all children receiving 1:1 sessions
 - Sessions will always be recorded and retained for 6 years
 - Receive written confirmation from the student's parent in writing that they are happy for a 1 to 1 teaching session to be taught
 - Ensure that the child's parent is in the same room as their child or in close enough proximity to see and hear all interactions on all calls.
 - Meeting invite will always be shared with relevant SLT member
- f) Once a teacher has scheduled an online classroom, the teacher must only send the link to the students' Ebor or school domain email account.
- g) When teaching in an online classroom, staff need to be business-like when giving lessons: presenting themselves as professionally as they would if they were giving a face-to-face lesson, in dress and in manner: Staff should remember that they need to observe their usual high

professional standards at all times.

- h) The broadcast should only take place from an appropriate communal area of their house or area of work. E.g. living rooms, kitchens, home offices and gardens. They must not take place in bedrooms or bathrooms. Protocols must be agreed before the session, e.g. sitting down
- i) If delivering lessons from home, be aware of material that may be visible in the background. Avoid revealing any personal teacher information or other sensitive data.
- j) The teacher of the hosted classroom must remove any students from the online classroom who have not followed the school dress code or are deemed to be wearing inappropriate clothing. The student may join the classroom again once the issues have been resolved.
- k) For the purpose of accountability and maintaining a safeguarding overview, each remote lesson will be recorded. Should any issues arise, the video can be reviewed.
- l) Recordings will be securely stored on a Google Drive accessible to the safeguarding personnel only.
- m) At the end of the retention period, the recordings will be deleted.

3.2 Emailing:

All lesson plans and work and communication is accessed through the agreed school platforms.

Staff are only permitted to email students at their school issued address and from their own school account. *Individual emails should be focused on educational matters and another parallel colleague such as tutor, guardian or class teacher should always be copied in.* Any concerns arising of a wellbeing pastoral nature **MUST** be recorded on Cpoms.

3.3 School specific offer: Individual Ebor schools will produce school specific guidelines as necessary.
