

Ebor Academy Trust Staff Childcare Scheme

At Ebor Academy Trust we recognise that there are times when balancing work and family commitments can be challenging. Juggling childcare and working outside of school hours can be tricky.

As part of our Belonging and our Respect values, we offer staff the opportunity to access free childcare if they have a child at one of our schools and that school provides wraparound care.

Unfortunately, the offer does not extend to schools with care services delivered by an external provider i.e. a separate company renting space from us or operating from a nearby building.

How to access the service:

- Contact your School Business Partner or Business Manager
- They will either book you in directly free of charge or
 - Provide you with a link for online booking and a promotion code
 - Once you have registered for the online service you can book your free sessions using the promotional code.

If the wraparound care currently has a waiting list, you will be added to that waiting list until a place becomes available.
